Re: 2005 Mason Dixon Results

Sorry this is unacceptably late. No excuses. Hope that the results please everyone.

I hope to coach again this year after taking off last year. As Principal, I keep very busy 12 months of the year but I miss coaching track.

Because of my delinquency of finishing the report, someone else may want to accept the responsibility of compiling results this year. If not, I promise to do a better job in the Spring.

Hope all of you are doing well. LSD, AIDB, and MSD, we all hope you have recovered as best as possible from the hurricanes.

Chip, are you still planning on a Spring Invitational? Keep us posted.

Thanks to Walter Ripley of AIDB, we have put in : that changes the sorting of the times in the Boys 400m. I had slighted three AIDB young men of a 3rd, 5th, 8th and given other schools points incorrectly. With these corrections, the places remained the same but point totals are as follows:

South Carolina	145	2nd
Alabama	138.5	3rd
Florida	109.8	4th

 Re: 2005 Mason Dixon Results (REVISED)

Revised results because of a clerical error on my part. Missouri sent me results to compare and Mississippi did not. Because Mississippi is in the Mason-Dixon (and Missouri is not), I just typed in Mississippi instead of Missouri. I have taken Missouri's results out of the point standings and refigured. This did not result in change of places but did change the points totals. I did leave Missouri athlete's times and distances at the bottom so that they can compare with the MD athletes best.

Sorry for the error and if it caused any inconvenience. I am sending this to each of the MD schools, even if they did not submit information. If you want your athletes from your school to be included next spring, please plan to submit. I will keep my promise to compile and disseminate before the summer vacation begins, UNLESS I get a volunteer to take on this project.

I talked to Chip last night (yes they are all well from Katrina), and he is still trying to put together the Spring Invitational. Hopefully, we can get together in Louisiana in the spring to have the kids go head-to-head (or should I say feet-to-feet). Have a great year.
